# Mohan Shailendra Yadav

REACT WEB AND APP DEVELOPER

- “I am passionate about innovation experiences with each step of code that are both visually stunning and intuitive, and always strive to create designs that delight and engage users.”

EXPERIENCE

WEB DEVELOPER - PVR SOLUTION.  
Kandivali (East), Mumbai  
Jan 2024 – Dec 2024

Managed the development team and mentored juniors to improve code quality and efficiency. Integrated OAuth - Authentication, prototypes, and high-fidelity features for a variety of web and mobile projects. Worked closely with clients to understand their needs and goals and translate them into effective design solutions.

- Created a user-friendly customer relationship management system and company website to streamline customer interactions and increase productivity.
- Crafted a fully stacked website for the firm's new branch
- Worked on a CRM with partner, user and admin panel on integrating APIs
- Built UI/UX using React-Sass with designs that are compatible with both OS and browser
- Worked on several online and admin branch SEO tools for start-up and brand promotions

FULL STACK WEB DEVELOPER - ULTIMA SPECIALTIES, PVT LTD.  
Kandivali (East), Mumbai  
July 2023 - August 2023

Led the redesign of the company's e-commerce platform, resulting in a 25% increase in sales. Conducted DSA user research and usability testing to inform productivity-based decisions and improve the user experience. Collaborated with development teams to ensure programs were implemented accurately and efficiently.

- Developed Customer Relationship Management Model and a website
- Crafted a fully stacked website for the firm's new branch, including a CRM
- Integrated APIs & built UI/UX using React-Sass with designs compatible with both OS and browser
- Worked on several online and admin branch SEO tools for lead generation.
